

Industrie Service

CERTIFICATE

VdTÜV – S 002.2006.003

The company

Bavaria Schweisstechnik GmbH

Wiesenweg 23

DE – 85716 Unterschleissheim

has been audited and approved as manufacturer of filler metals according to

VdTÜV-Merkblatt 1153 in connection with AD 2000-Merkblatt W 0

The scope of the audit and other relevant data are detailed in our report no. R-3695272-22-00 and Annex 1 of this certificate.

The company

- has facilities permitting manufacturing and inspection in compliance with the current technical standards,
- operates a quality system which guarantees that manufacturing and inspection of the filler metals stated in our report are in conformity with the technical rules and standards,
- employs qualified supervisory and inspection personnel.

The certificate expires on 2025-12-11.

In order to adhere the validity an annual surveillance audit is required.
